

Bonsall Parish Council
Vehicle Park Working Group Minutes
Online Meeting Tuesday 27th January 2021 11.00-12.00am

1 **Attendance:** Cllrs Addis Harris and S. Smith; T. Payne (Clerk).

2 **Apologies:** Cllrs Barry and Pountain, L. Johnson and P.Spencer.

3 **Storage unit for carnival and well-dressing equipment and flood sacks:**

The option of a corrugated metal shed similar to that on site historically was discussed, but agreed not to recommend that on grounds of cost and construction time. It was agreed to (1) approach H.Strange and Co to consider possibility of siting a half-size 20 foot storage container on that land; (2) if not possible, to discuss the need for planning permission with DDDC for siting of the container on the vehicle park (also agreed that container could be clad to improve screening (see eg. budgetshippingcontainers.co.uk); plus plant boxes/troughs around it. Noted that if planning permission were needed then the Diocese would also need to give consent.

4 **Improvement works**

Key immediate issue was agreed to be resurfacing of the park and also the path to the school to encourage park and walk. Agreed to discuss with local companies to consider options (including feasibility of removing the concrete platform adjacent to the road).

5 **Honesty box**

Cllr Smith agreed to talk to potential designer/builder of an honesty stone as per the collection box at the National Stone Centre.

6 **Other issues including walling, and signage**

Agreed to defer pending progress on items above.

7 **Date of next meeting:** Wednesday 24th February 2021 at 11.00am.
