

Bonsall Parish Council
Vehicle Park Working Group Minutes
Village Hall Wednesday 12th September 2022 3pm

1 **Attendance:** Phil Addis, Richard Grover, Leigh Johnson, Mark Harris Julia Milverton (Clerk).

2 **Apologies:** Steve Smith

3 **Minutes of previous meeting:** agreed.

4 **To discuss Vehicle Park Policy:**

A new version of the Policy was agreed and will be sent to the Parish Council for approval at the next meeting.

Main suggested changes are to prohibit overnight parking and to emphasise this not allowed. It was also decided to recommend not to use permits for residents and workers in the village, or for long-time parking of camper vans, mobile homes etc. In fact, there should be no long- term parking on the site.

Future priorities

To consider an additional sign indicating this is private, not public land
