## **Community Grant and Donations policy**

**Effective from: August 2016**

**Reviewed: July 2019**

**Reviewed: August 2021**

**Review: August 2023**

### **1. GENERAL NOTES**

For the purposes of this policy the definition of a 'grant' is money which must be spent specifically for the purpose agreed. a 'donation' may be given to a village hall towards the general running costs without being specific about what it is spent on whereas a grant would be given towards the cost of specific project such as installation of a new security system. In reality most applications under this policy will be defined as a grant and be subject to the following considerations.

Bonsall Parish Council aim to make the Grant and Donations policy:

Primarily supportive of local organisations and to benefit local residents, in addition the policy is designed to be open, transparent, fair and competitive.

The grants are available to established voluntary or community groups, as well as new or informal groups of parishioners

Bonsall Parish Council may be able to offer grants to help local people run projects that are for the benefit of the people of Bonsall. Grants would typically be up to £500.

Grants will be considered for groups organisations or projects that will be of benefit to the local area or community. The Council cannot give support to individuals, profit making or commercial organisations.

Applications will be considered on merit. Preference is likely to be given to projects that are sustainable once the grant funding has finished.

Application process: grants should be submitted by 10th January annually; applications will be considered as part of the budget process before 31 March. Subject to funding still being available applications submitted after that date may still be considered. Applications will be decided based on the information provided in the application form at a monthly meeting of the Parish Council.

### **2. PARISH COUNCIL POWERS and SECTION 137**

A parish council has a number of powers granted under various Acts of Parliament which enable it to spend money. Since 2008 the "Power of Wellbeing" and more recently the "General Power of Competence, Localism Act 2011" allow parish councils more flexibility in how they spend money within the local community. In order to use either of these powers it is necessary that the council has a qualified clerk, and at least two thirds of the councillors have been elected rather than co-opted or appointed. Currently Bonsall Parish Council does not meet these criteria therefore all donations and grants fall under the statutory power of Section 137 of the Local Government Act

1972, which permits it to spend up to a certain limit on anything which in the opinion of the council is in the interests of the parish, or any part of it, or is in the interest or all or some of its inhabitants.

This amount is limited to a figure per head of the electorate on the electoral role on 1st January before the commencement of the financial year. The figure is index-linked and for 2016/17 £7.42 per head.

The parish council has no obligation to spend all or any of the money available under S.137. This money is not 'gifted' to the parish council; it forms part of the Precept which the parish council makes on the District Council. The cost of any grants or donations is therefore reflected in residents' council tax bills.

### **3. WHO CAN APPLY?**

To be eligible for the award of a grant under Section 137 an organisation must:

Grants will be considered for groups organisations or projects that will be of benefit to the local area or community. The Council cannot give support to individuals, profit making or commercial organisations.

it should benefit people who live in the parish

there must be clear evidence that local people support the project and are involved in carrying it out

applications do not have to be from groups that already exist

each group may only make one application per financial year

### **6. CONDITIONS OF SUPPORT**

The council may make the award of any grant subject to all or some of the following conditions.

Required conditions will be at the discretion of the council and take into account your organisation's individual circumstances.

The application must be made using the Bonsall Parish Council application form which is available from the Clerk.

Where expenditure on a specific project exceeds £2,000 quotes from at least three providers must have been received.

Details must be provided of the extent to which funding has been sought or secured from other sources or own fund-raising activities.

Funding must only be used for the purpose agreed with the parish council and if the monies are not spent on the items agreed, they must be returned.

Funding must be spent within the financial year awarded and cannot be added wholly or partly to your reserves.

If your project costs are more than you anticipated on your application, any shortfall must be met by you – Bonsall Parish Council will not be in a position to make up any shortfall.

In order to fully understand your project or activity the parish councillors may wish to visit your project or activity, prior to the project or activity commencing. They may also wish to conduct a site visit once your funded project is underway.

As a minimum, you will write to confirm receipt of the cheque for audit purposes, or as the cheque is handed over you will sign a form or receipt at the same time.

The need to provide evidence of expenditure (receipted invoices) to the Clerk to the Council on completion of your project will be discretionary – based on the amount given and the purposes given. (If required, this evidence of expenditure should be equal to, or more than, the total of the amount of the grant detailed on your application.)

Any unused funds at the end of the financial year in which the grant is paid out must be returned to Bonsall Parish Council

You must acknowledge Bonsall Parish Council's support in all publications, publicity and annual reports.

You should show the funding awarded separately in your published financial accounts and Bonsall Parish Council should have access to your financial records, on request, where appropriate.

A representative of your organisation should give a report at the Annual Parish Meeting (held on an evening between March and May each year) on how you spent the money and if appropriate how your project went.

## **7. WHEN TO APPLY**

Applications should be submitted by January 10<sup>th</sup> each year. Any award granted would become available for payment after April the following year.

This is a competitive process against other bids and the quality of each bid is important.

All groups will be treated equally. If an organisation has had a grant previously, they are not guaranteed to receive financial support again but are not excluded from applying again. A fresh application will be required each time.

Whilst ad-hoc requests can be made at any time, there is no guarantee that any funds will remain available.

## **8. HOW WILL DECISIONS BE MADE?**

All bids will be judged after the closing date. The decisions will be made by Bonsall Parish Council. The Council's decision is final. Unfortunately we may not be able to fund all projects as there may be more applications than there is money available, however all applications will be considered carefully.

Due account will be taken of the extent to which funding has been sought or secured from other sources or own fund-raising activities.

## **9. HOW TO APPLY**

Applications should be made in writing. Please apply to the Clerk for a standard application form or download one from the parish council website at <http://www.bonsallvillage.org/parish-council/>
