Parish Code of Conduct – Unanimously adopted the DDDC model Code of Conduct.

New Waste Collection service New arrangements for waste collection come into force on August 6th when tins and cans will be collected in a different container.

However, the big service change doesn't happen until October. When new contractor Serco Ltd takes over on 6 August local people are being asked to recycle tins and cans in their blue recycling box - along with glass bottles and jars - rather than their blue recycling bag.

7/12/5

For the first time from August 6, residents will also be able to recycle in their blue box aerosols, aluminium trays and beverage cartons.

For more information call DDDC on (01629) 761100 or have a look on their website
