

122/2004/ NOVEMBER - REPORTS BACK FROM REPRESENTATIVES.

Cllr Frost attended the Remembrance day Service to represent the Parish council.

Cllr Cruttenden attended a Standards board committee meeting, and advised on the importance of declaring an interest on planning matters, as a councillor from another council has been suspended. The Standards Board have recommended that a clear policy of action is in place. It was resolved that if a planning application calls for a site visit by the planning dept then the councillor who has taken the plans around to the neighbours and has more knowledge of the plans, should if at all possible attend the site meeting. If unavailable then another councillor will attend.

At Quarry Liaison meeting Deepwood Mining/Ball Eye quarry have been given informal support for their proposed 300 bed hotel, by DDDC. Investigations into the new quarry workings that are going on, at the south side of the quarry and the complaints about the noise from blasting. Seventeen complaints have been received against only four for this time last year.

Cllr Lynch reported that he had received a complaint about the leaves on Clatterway. Dist Cllr March would be consulted about this and asked if DDDC are to do a sweep soon.

County Cllr Read advised the Parish council of a number of sources of funding for arts within the area. She will find more details and be in touch.

The Forum about the new licensing rules said that it will be November 2005 before anything comes into effect. Applications will start from March 2005. The Village Hall will need to apply then and there will be help provided to complete the paperwork.

County Cllr Read was asked if she could make some enquiries about the footpath maintenance, as Bonsall has a lot of footpaths and the money does not cover the cost of the footpaths to a good standard.

Cllr Hind suggested that there are members of the village who have worked very hard for the village and that there should be some sort of formal recognition for their work. The Clerk will write to Patrick McLoughlin about the MBE award. DDDC run a nomination scheme for local people, Dist Cllr March to be contacted over that, and in this months correspondence there is a letter from the Rotary asking for nominations for outstanding people, which we shall pursue.
