	<p>to see if he can provide the frame and print the signage. Pole: Steve Smith to speak to Carl Taylor to arrange installing a pole at the same time as the charge box work is done. Wording to be confirmed at next Meeting.</p> <p>Village Car Park signage: agreed that a sign was needed at the entrance approx 60 x 20cm double post mounted. To discuss with sign supplier to see options, but noted that the immediate priority was the charging signage.</p> <p>Storage unit for carnival and well-dressing equipment and flood sacks/ Speedwatch equipment: Keys: agreed one set needed by Carnival Committee, two sets to be held by Clerk and one set by Chair. Steve Smith to see if he had a better external lock with four keys to replace the existing. Clerk to arrange for cutting or supply of a further two keys to the main security lock.</p> <p>Screening/planting for the container unit: agreed that this needed to be considered at a future meeting.</p> <p>Charge box: Steve is waiting for Carl Taylor to confirm start date and meet on site; expect to contact in next few days.</p> <p>Planting: Update on any involvement of the Wildlife Trust: no further contact on this.</p> <p>Footpath from vehicle park to church: noted that DCC had undertaken to do work which was expected in 2022-23 financial year.</p> <p>Vehicle park surface: Steve Smith to investigate alternative surface material. Noted that this is a medium-term project.</p> <p>Walling: noted with thanks that John Mee was on site undertaking repairs.</p> <p>Future priorities: To consider action on previously identified improvement works: in order of priority; rose border bulb planting and wildflower planting; screening of unit; Village car park sign.</p> <p>d) Motocross site former White Low Mine:</p> <ul style="list-style-type: none"> • The Environmental Health Department remains concerned about lead exposure from the site...and the situation is still being investigated. • ...modelling for Blood Lead Levels are well below defined Suspension Blood Levels for employees...However the level of contamination is likely to increase someone's Blood Lead Level over the NHS guideline especially if they are exposed over a long period...However the standards for commercial activities do not cover children under 16 years. Parameters are defined for Young Person (aged 16-18 years), Adults and Women of Reproductive Capacity within The Control of Lead at Work Regulations 2002. The Council understands that Riders on the track are not employees but normal members of the public, and therefore the site operators should be able to explain the risk from lead to members of the public using the site. • DDDC have requested clarifications from the site operators and their expert formally; the outcome of this request will determine what further steps the department will take... • DDDC is still considering an Improvement Notice should the Duty Holders not provide a satisfactory response, however at this current time the department cannot confirm what measures would be listed within the notice schedule as this is still under consideration. • One key issue is that the Duty Holder should be providing clear and accurate information on the risk of lead to a person's health from prolonged exposure to 	<p>SS/Clerk</p> <p>Clerk/SS</p> <p>Clerk/SS</p> <p>Clerk/SS</p> <p>SS</p>
