

Bonsall Parish Council

Minutes of the Bonsall Parish Council Meeting held on Tuesday 17th July 2018 at 7.30pm at Bonsall Village Hall.

	<p>c) Slinter Top Quarry update: there had been several complaints from residents about blasting work on 16th July; no warning sirens had been heard. Cllr Grover had written to the County Council Enforcement Officer seeking an explanation, and this would be taken up at the Quarry Liaison Group meeting on the 18th July. Noted.</p> <p>d) Park Lease update: the final Heads of Terms that had been prepared by Savills were reviewed. The Heads of Terms were agreed subject to (1) the map being marked to show the vehicle park as referred to in clause 10; and (2) confirmation that the fees were a one-off payment not a continuing commitment to pay fees as part of rent reviews.</p> <p>The Clerk reported that the County Council legal department (who had recently acted for the school on a lease transaction with the Diocese) were willing to act for the Parish Council for a fee of £250 to £350 (subject to confirmation).</p> <p>It was agreed that (3) the Clerk would be authorised, in consultation with the Chair, to appoint the County Council to act for the Parish Council once the final fee figure was provided, and (4) that in accordance with Financial Standing Order 11.1 (ii) in view of the low quote for this legal work, and their previous work for the school, no other quotes would be sought.</p> <p>e) Churchyard: churchyard responsibilities: the minutes of the meeting with the Parochial Church Council were discussed and noted. Key issues were that</p> <ul style="list-style-type: none">-work on the lime trees was delayed pending a quote from a new contractor, which might affect the PCC's decision to fully fund the works;- the Parish Council was still waiting for details of land ownership and following a further request from the Clerk to the District Council the two District Councillors had now asked DDDC to expedite this. <p>f) Speeding in the village: the Traffic working group had met before the main meeting. On their recommendation it was agreed (1) to seek to implement an informal 'Twenty's Plenty' warning notice scheme backed with children's posters; (2) seek to install a formal warning notice at the bottom of the Clatterway to the effect 'Kill your speed not children' or similar; (3) to conduct a survey of current formal warning signs to see if they needed renewal; and (4) to arrange another Speedwatch session with a view to collecting data rather than issuing warning letters.</p> <p>g) Improvements to Via Gellia: the Department of Transport had announced a grant of £3 million for improvement to the Via Gellia from Cromford to Newhaven. Safety upgrade work was likely to include the construction of a new roundabout (location not known), installation of average speed cameras, junction improvements lane widening and verge clearance, and extra road hatchings. The work may not be scheduled until 2021/22. The improvement scheme was welcomed, subject to seeing the details and ensuring that implementation works were well managed to avoid disruption to traffic and local businesses.</p> <p>h) Village potholes: this item had been dealt with in public speaking; the position on works undertaken was noted.</p>	<p>Clerk</p> <p>Clerk</p> <p>Clerk</p> <p>Clerk</p>

Bonsall Parish Council

Minutes of the Bonsall Parish Council Meeting held on Tuesday 17th July 2018 at 7.30pm at Bonsall Village Hall.

	<p>i) Tree works on Black Tor Road: several complaints had been received by the Chair in relation to informal road closure and the clearance work undertaken in relation to works on Black Tor road. There were also reports of potential damage to the highway verge. It was noted that this mainly appeared to be on private land and so was not a Parish Council issue, but it was agreed that Councillors would check any for damage to the highway.</p> <p>j) Dog fouling: the Council considered a report of the Clerk on controls and reporting process, and it was agreed that this should be included in Mutterings to increase public awareness on this subject.</p> <p>k) Defibrillator: the Clerk reported that the fundraising target of £2542 for purchase of the units and cases had now been met, and following recent donations the fund stood at £2574.</p> <p>It was agreed that the cases should now be purchased from Defib Store Ltd at a cost of £399 plus VAT, (this being the cheapest market price available) and that surplus funds would be used for maintenance costs. It was also agreed to record thanks to all who had donated, and for the work of Richard Taylor in organising recent donations. It was also reported that Richard would be seeking to undertake further fundraising later in the year for a further unit at the school/Church Street.</p> <p>l) Joint Meeting with Cromford Parish Councillors: the Clerk reported that Cromford Council had expressed interest in a joint meeting and had asked for proposals for the agenda. It was agreed that initial areas of interest for discussion could be local quarrying, Via Gellia traffic, potholes / general road conditions; and vehicle speeding. Agreed that Cllrs Barry and Grover, with the Clerk, would attend a joint meeting on behalf of the Council.</p> <p>m) Welcome to the village card: the Clerk showed draft welcome cards that had been considered by the school for new residents. The school had now opted to use their own card; on behalf of the Parochial Church Council Marion Heasman said that they would be interested in developing a joint card with the Parish Council and it was agreed to progress that.</p>	<p>Clerk</p> <p>Clerk</p> <p>Clerk</p> <p>Clerk</p> <p>Cllrs Barry & Grover & Clerk</p> <p>Clerk</p>
